

UMANG RATRA

Computer Science Engineering Student

+91-9310032656 @ umangratra2005@gmail.com New Delhi, India

SUMMARY

Motivated and detail-oriented 3rd-year Computer Science Engineering student seeking opportunities to gain hands-on experience. Passionate about continuous learning, team collaboration, and contributing to innovative tech solutions.

ACADEMIC PROJECTS

Fitmind AI

Personalized diet and fitness recommendation system using machine learning

- Developed a web-based application focused on providing personalized diet and exercise plans using a machine learning model.
- Implemented a user-input system to collect data such as age, gender, weight, height, diet preferences, and exercise preferences.
- Engineered the platform to calculate and provide specific calorie intake requirements and customized fitness routines.
- Focused on clean UI/UX to ensure accessibility & ease of navigation for users.

 - Provided skills training and supported the needy with basic amenities like food & clothing.
 - Demonstrated self-motivation and quick learning.
 - Performance acknowledged by the Executive Director.

CO-CURRICULAR

- Attended technical webinars and workshops on AI, Cloud Computing, or Cybersecurity organized by college or tech communities.
- Secured first position in the inter-college Volley ball competition.
- Volunteered in tech fests as part of organizing or technical support teams.
- Member of the college coding club, contributing to peer learning and organizing coding sessions or challenges.

EDUCATION

- Bachelor of Technology, Computer Science Engineering
IP University - BVCOE
2024 - 2027 New Delhi, India
- Diploma - Computer Science Engineering
Delhi Skill and Entrepreneurship University
2021 - 2024 New Delhi, India
- Amrita Vidyalayam
X - CBSE
2020 - 2021 New Delhi, India

TECHNICAL SKILLS

Languages

- HTML CSS C Java
- C++ Python

Core Competencies

- Adaptability Teamwork Communication
- Leadership Quick Learner

CERTIFICATIONS

- DSEU - Merit Certification
Obtained 2nd position in the University quiz competition.
- DSEU - Merit Certification
Organized a coding project competition in the university.
